

SENTRY INTELLIGENCE AGENCY
National Foreign Assessment Center
Office of Imagery Analysis

TECHNICAL STAFF

Significant Items - Week of 26 Feb - 2 Mar 1979

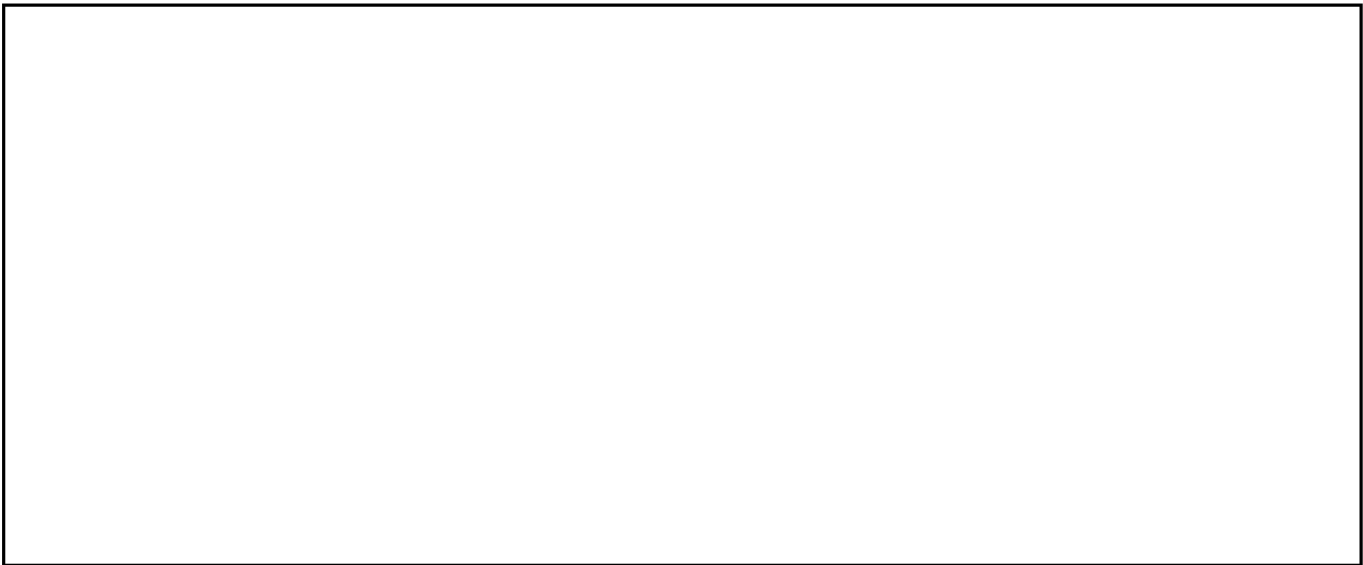

1. A local mailing address is available for receipt of UNCLASSIFIED official correspondence. Its use results in much more timely receipt than using the primary Agency address. Unless cover considerations are a factor, the recipient's name followed by the office acronym OIA should appear as the first line. Do not use the expanded office title. The full address is:

STAT

2. Several interesting FOIA and Privacy Act requests have been received by the Agency's Information and Privacy Staff during the recent past. Below are a selected few.
